18.11.20

15) Sup. upon drop letter — As the Residency Surgeon's visit to the Special Camp will be absorbed in his permanent establishment

5-12-20

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

G.R.S. III—3]

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

16) Re- draft
On a perusal of the previous files relating to the appointment of Sanitary Inspectors in place of the Plague Supervisors for further plague inspection duty, it is made out that the Sanitary Inspectors of the respective Taluks attend also to plague duty in the Districts except Hassan. vide Sanry Commr's letter no: 2036 & 13.11.11 Re the Hassan District a separate graduated Sanry Inspector has been appointed for further plague duty under G.O. no. 8402-4 & 11.5.12 Sam 160-10-9
Thus all the Sanry Inspectors working after further duty are already in the permanent establishment

17) In this Connection it is also stated that the question of abolishing the posts of further Sanry Inspectors in the Hassan District was mooted to the Director in this office letter no: Pol 813 — Kim L.B. 84-105

as part of their legitimate work, X Sam 160-10

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

G.R.S. III—3]

1917

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Govt dt 15.2.16 to the Residency. In reply, the Residency Communicated the view of the Madras Govt that observation circles in charge of Savy Dwellers having been maintained under orders of that Govt in the areas adjoining the Mysore State, the Corresponding agency in this State should continue to be maintained. Vide Resy Letter No. 302 dt 11.3.16.

Govt dt 3.8.15

18) The only point for consideration and orders at present seems to be whether the remarks of the Savy Commr in para 4 of his letter dt 8.11.20 may be Communicated to the Residency for favr of obtaining the views of the Madras Govt in regard to the suggestion therein contained. If this Course is approved, the Savy Commr may also be requested to state definitely in what respects the G.O dt 19.11.03 requires to be modified & forward a draft of a suitable circular to be issued in view of the change in the general policy in connection with plague prevention measures.

Rev. Secrt.

3/ The suggestion of the Sanitary Commr in para 1 of his letter no 208-A dt 14th Apr 1924 may be given effect to. The contribution in question was then rendered to be paid owing to the fact that the Local Boards were then unable to meet the entire charges. Now that the revenues of the Distt Boards are augmented by the transfer of Minor Ports & the surplus amount under Local Funds. General, there will probably be no difficulty to meet the expre charges in question which seems to be a legitimate charge on their revenues.

To

C. S. Balasundaram Iyer Esq., B. A.,
Chief Secretary to the Government
of Mysore, Bangalore.

Sir,

In reply to your letter No. G. 15,987 San. dated the 15th. January 1920, I have the honor to state that the special sanitary establishment in the Frontier taluks was entertained in accordance with an understanding arrived at with the Government of Madras to ensure (1) that disinfection is invariably and effectively carried out on the occurrence of plague cases or of rat mortality in any of the bordering villages and (2) that prompt reports of the outbreaks of plague in the frontier taluks are sent to the neighbouring British authorities in order that they might be forewarned of the possibility of its spread to British villages. In case the Government of Madras should agree that the arrangement then introduced need not now continue, the special establishment may be dispensed with. I may, however, note that the Frontier Plague Supervisors who were entertained at the inception of the scheme having since been replaced by qualified Sanitary Inspectors -/ who form part of the regular taluk establishment - all that the abolition of the staff will mean is only a withdrawal of the contribution of a moiety of the cost

that

OFFICE OF THE SANITARY COMMISSIONER
WITH THE GOVT. OF MYSORE.

Bangalore, dated the 8th Nov. *1920.*

No. 208-18
Enc.

10127

From

A. K. PANI, ESQ., D.P.H., etc.,
Offg. Sanitary Commissioner with the Government of
H.H. the Maharaja of Mysore, BANGALORE.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to Government of His Highness
the Maharaja of Mysore, B a n g a l o r e.

Sir,

With reference to your letter No. G.17791 Sany. dated the 2nd February 1920, I have the honor to state, that the reports received from the Deputy Commissioners of - Districts show that 38 villages in the frontier protection area of the Kolar district, 22 in that of Chitaldrug and 22 in that of Tumkur were affected with plague during the past 5 years.

2. As regards the arrangements that exist in the bordering area in the British territory to give the State Officers timely intimation of the appearance of plague in their villages, it is reported that daily bulletins of plague are being received in the District Office, Mysore from the bordering British Districts. In Goribidnur taluk a mutual exchange of news of out-breaks of plague takes place between the Mysore and the British Taluk authorities. A similar arrangement exists in the Tumkur District also. There does not appear to be a special establishment maintained anywhere in the bordering British Districts in connection with the frontier protection scheme although I note from your letter No. 7637/L.B. 84-15 dated the 10th

Enclosure No.

Subject.

Submitting certain particulars relating to the establishment maintained in connection with the frontier protection scheme.

Jain 10/11/20

PROTECTION BR
12 NOV 1920

10th April 1916 addressed to the Deputy Commissioner, Hassan District, that observation circles in charge of Sanitary Inspectors are maintained by the Madras Government in the areas adjoining the Mysore State.

3. No plague or Sanitary establishment is maintained in addition to the Staff of the Sanitary Inspectors who took the place of the Plague Supervisors originally entertained in 1903 and a moiety of whose pay is being charged to plague funds.

4. In this connection, I beg to note that the duties of frontier plague supervisors as defined in Government Order No.L.B.P. 627 dated the 19th November 1903 are out of date and need modification. The intimation of departures from Mysore Frontier villages to the adjoining British Territory which is practically a pass-port system is no longer necessary in view of the change in the general policy now followed in connection with plague measures. Chemical Disinfection need not also be insisted upon. A strict application of the rules since laid down in Government Order No.G. 21371-402/San.101-17-12 dated the 25th March 1919 in regard to combating epidemics in rural areas would help to keep the ravages of plague in frontier villages at a minimum which is all that is essentially necessary in so far as the interests of the adjoining British villages are concerned. The Amildars should, of course, be required to send prompt reports of the out-break and progress of plague and other epidemics in the frontier area to the Tahsildars of the neighbouring British Taluks.

I have the honor to be,

Sir,

Your most obedient servant.

Offg. Sanitary Commissioner.

The Offg Surv. Genl

With reference to your letter No. G.C. 208-8/20.1.29, furnishing your opinion in the matter of dispensing with the Special Sanita establishment entertained for plague duty and the Frontier Protection Scheme, I am directed to request you to be so good as to furnish information on the following points:-

(1) Whether Surv. Inspectors have been employed in all the bordering Dis for which the special staff was entertained over.

(2) Whether in case the Surv. Inspr. Sanc turned in G.O. No 8402-4/San 160-10-9

dated 11.5.12, for the Manjarabad Taluk

is dispensed with, the Lany. Inspr. of the
Manjarabad Taluk, can attend to Plague duty
the area lording on the British territory
without prejudice to his duties.

(3) When and under what authority the
Special Plague Staff was absorbed in
the permanent Taluk establishment &
whether there is any record in your office
to show that the Residency was consulted
in the matter at the time.

(4) Why the contribution of ~~the whole of~~ a
moiety of the cost now being paid from
State Funds on account of Lany. Insprs.
employed in the lording Taluks, should
not be withdrawn & the entire cost ordered
to be met from Dt. Fnd. Funds as in other
cases.

(5) The amount of contribution paid
from State Funds on account of Lany.
Inspectors during each of the years 1918-19 & 1919-20.

Si

With reference to your No. G.13411/San. dated the 12th January 1921 calling for information on certain points in connection with the special Sanitary Establishment entertained for frontier plague duty, I have the honor to state as follows:-

(1) ~~the~~ Sanitary Inspectors have been employed in all the bordering taluks for which a special staff of plague supervisiors was originally entertained.

(2) As the taluk of Manjarabad covers an extensive area the Sanitary Inspector of the taluk cannot without prejudice to his duties attend ~~the~~ to plague duty in the area bordering on the British territory. The Deputy Commissioner, Hassan District, is alsc of this opinion.

(3) There is no record in this Office to show that the Residency were consulted at the time of substituting the unqualified Plague Supervisors ~~with~~ by qualified Sanitary Inspectors.

(4) The contribution of a moiety of the cost now being paid from State Funds on account of Sanitary Inspectors in the frontier taluks may be withdrawn and the entire cost ordered to be met from District and Municipal Funds, as

B a n g a l o r e.

Sir,

With reference to your letter No. C. 24711/San. 95-20-9, dated 21st June 21, requesting to be informed why the pay of the Sanitary Inspector on Frontier Plage Duty should not be borne entirely by the District Board of Hassan, I have the honor to state that on reviewing their financial condition the Board resolved at their last meeting that they are willing to pay up to the full salary of only one Sanitary Inspector for the whole of Manjarabad Taluk as hitherto and cannot incur additional expenditure by way of payment of the other half of the Frontier Sanitary Inspector's pay.

2. There are at present two Sanitary Inspectors employed in Manjarabad Taluk. One of them is attending to the sanitary duties of the Saklespur Municipality in addition to the Taluk Board work, the Municipal Council paying one half of his salary by way of contribution. The other Sanitary Inspector who is termed the "Frontier" Inspector is paid partly from District Funds and partly from the budget of the Sanitary Department and is in charge of the Frontier hoblies doing sanitary work of the District Board besides attending to Frontier Plage duty.

I have the honor to be,
Sir,
Your most obedient servant,

Sir,

With reference to your letter No. L. 1905/Sany. 95-20-11, dated 27th September 21 enquiring whether the Saklespur may not employ its own Officers as per Government Orders and the Sanitary Inspector paid from Local Funds may not be employed solely for the Taluk work of Manjarabad, I have the honor to forward herewith copy of the resolution of the Hassan District Board accepting the proposal made in your letter as feasible.

2. I enclose also copy of the resolution of the Saklespur Municipal Council that a full time Sanitary Inspector be employed for the Municipality on the grade pay sanctioned by Government plus Cycle allowance of Rs.5/- per mensem and request that early orders may kindly be obtained sanctioning this arrangement. The Municipality has been contributing one half of the Sanitary Inspector's pay hitherto and it is possible to find funds for meeting the other half also in the current year's sanctioned budget of this Minor Municipality.
